### **ISG International Earns \$50,000 for the Dorchester County YMCA In 8<sup>th</sup> Annual Chubb Charity Challenge**

**LAS VEGAS, November 7, 2007** – ISG International of Cambridge, MD finished second out of 45 teams in the Eighth Annual Chubb Charity Challenge Championship and earned a \$50,000 donation to the charity of its choice. The local insurance agency's winnings will go to the Dorchester County YMCA, a nonprofit organization dedicated to building strong kids, strong families and a strong community in Dorchester County through a variety of programs that promote the values of caring, honesty, responsibility and respect.

On November 5 and 6, winners of the 45 Chubb Charity Challenge regional golf tournaments in major cities across the United States and Canada competed for a charity purse of more than \$560,000 at The Falls and Reflection Bay golf courses in Las Vegas. Through the charitable efforts of more than 1,600 agents and customers, Chubb was able to raise more than \$1 million for charity during its 2007 tournaments.

Congratulations to ISG area chairman G. Philip Feldman and his team of dedicated golfers including Steven Glaser, president of ICC Corp in Columbus, OH; Howard Stein, president of ALTA IT Services in Rockville, MD; and Charles Brown, CFO of Aetna, Inc., also of Rockville, MD who earned prize money of \$50,000.00 for the Dorchester County Family YMCA at the Chubb Charity Challenge held recently in Las Vegas, Nevada.

"ISG has always been a strong community supporter". Said Mr. Feldman, "and I really wanted our team to win, so I took lessons every Saturday from June until November. Our entire team practiced really hard this year and we were determined to take home the prize money for the YMCA"

Dee McDonald, CEO of the YMCA was thrilled; "Phil is my hero; a couple of our rooms require extensive renovation and the pool heating system is on its last legs; we weren't sure where the funding was coming from."

"We are proud to host one of the largest charity golf tournaments in the insurance industry," said Thomas F. Motamed, vice chairman and chief operating officer of The Chubb Corporation. "With the \$1 million raised during 2007, Chubb has helped to raise more than \$6 million for charities across North America since 2000. We would like to thank all our agents and customers who volunteered their time and donated funds to make the 2007 tournaments a success."

The top 10 winning teams, as well as their designated charities and the donations they will receive, are as follows:
