

RPS ISG International Hosts Disc Golf Tournament for United Way of the Lower Eastern Shore

Delmarva Businesses Team Up to Raise Money for “The Imagination Library”

Cambridge, MD - October 17, 2012: RPS ISG International recently hosted a “Disc Golf Tournament and Business Appreciation Luncheon” at Schumaker Pond Park in Salisbury, MD to benefit the United Way and Dolly Parton’s “Imagination Library”.

Over 100 business professionals representing twenty-four Delmarva companies competed in what will become an annual event to raise money for the United Way. Insurance company sponsors Chubb, Selective, Coventry Health Care and Hanover Insurance, donated money and teams for the event.

Dean Goodwin, Marketing Manager for RPS ISG International, organized the event that raised over \$2,700.00 for the United Way of the Lower Eastern Shore. “We really wanted to have an event where our business clients could network in a relaxed, friendly atmosphere.

Golf events are great, but there is a time commitment and not every business person has the equipment or the knowledge for a round of traditional golf. Anyone can throw a frisbee!”

The winning team, representing the Salisbury Chamber of Commerce, had the lowest score with Chubb Insurance Group in second place. Awards were presented for “Longest Throw,” “Closest to the Basket,” “Most Trees Hit with Your Disc” and “Most Discs Thrown in the Water.”

The Imagination Library program promotes a love of reading and learning by providing underprivileged children with one free book each month from birth to age five. Founded in 1996 by Dolly Parton, the Imagination Library sends hundreds of thousands of books each month to registered children in communities all over the United States and Canada.
